ANNUAL MEETING SPONSORSHIP

ASOPRS symposia are powerful concentrations of oculofacial plastic and reconstructive surgeon experts offering our industry partners excellent opportunities to build relationships, network, collaborate, and educate. Your participation adds value and contributes to a positive and enjoyable attendee experience.

Spring Scientific Symposium

Sea Island Resort, Sea Island, Georgia

The “jewel” of the Society, open to members only. This meeting is designed to be family friendly and intimate. The intimacy allows for unique networking opportunities that extend beyond the tradeshow environment, including social events and recreational activities, in which exhibitors and supporters are invited to participate.

Fall Scientific Symposium

Hilton Palmer House, Chicago, Illinois

This two-day symposium is a venerable tradition which precedes the American Academy of Ophthalmology’s Annual Meeting and attracts up to 900 members and non-members alike. - 3. Responsibility:** ASOPRS is responsible for the content, quality, and scientific integrity of the Spring/Fall Scientific Symposia and therefore must ensure that the activities of the Symposia are free of commercial bias and that activities concerned with commercial products must present objective information about those products, based on scientific methods generally accepted in the medical community. ASOPRS has the sole responsibility for controlling the planning, content, and execution of the Scientific Symposia.
- 4. Marketing CME Activities:** Only ASOPRS may authorize a commercial supporter to disseminate information about the Scientific Symposia to the medical community and any such information must identify the Scientific Symposia as produced by ASOPRS.
- 5. Exhibits:** The placement of an exhibit is not a condition for support of the Scientific Symposia.
