These continuing education activities are provided by **VINDICO**  
medical education®

These activities are supported by an educational grant from Horizon Therapeutics USA, Inc.

**JOIN US** alongside our expert faculty for this 2-day CE forum showcasing the interprofessional and multidisciplinary approaches that can improve the overall management of patients with thyroid conditions. With sessions tailored for endocrinology providers as well as ophthalmology and optometry providers, the programs will incorporate didactic presentations, clinical cases, collegial conversations, and question-and-answer sessions for a deep dive into the diagnosis and treatment of thyroid disorders, including thyroid eye disease (TED).
